

The Family Resource Network 2018 Sponsorship Opportunities

Thank you for your interest in supporting The Family Resource Network!

The Family Resource Network (FRN) is the leading provider of family support services to individuals with intellectual and developmental disabilities and their families in New Jersey. The integrated affiliate organizations, Autism Family Services of NJ, Caregivers of NJ, Epilepsy Foundation of NJ, and Family Support Center of NJ are all dedicated to enabling all individuals the opportunity to lead happy, fulfilling lives.

“Without your continuing support, 29,000 New Jersey families would be without critical support services that assist them in living a happy and full life.” - Eric M. Joice, CEO, The Family Resource Network

2017 challenged us to continue creating new ways to prepare for the changing future of providing family support services. These changing times combined with the increased competition for donor dollars have required us to be more resourceful than ever. We are proud to report that 93 cents of every dollar donated to FRN directly benefit those we serve. You can be confident that your contribution will have the greatest impact possible.

Our commitment to continue to serve NJ families whose lives are growing increasingly difficult is as strong as ever. In order to continue to provide top notch, comprehensive services it is imperative that we increase support and funding from individuals and companies.

Each affiliate home page has an easy and secure link to make your donation. You may also choose to set up a recurring donation if you prefer to give smaller amounts each month. To donate, visit www.familyresourcenetwork.org.

Memorial

You can create a living memorial in the name of a family member or friend. We'll send a letter personalized with your message to the person you designate to acknowledge (the amount of the gift will not be indicated). It is a great way to show someone you care and support their health and happiness.

Make Change for Autism

Get started making change for autism in your school, workplace, business or social circles by collecting spare change. All you have to do is to collect any mason jar or a box, stick the sticker we provide you on the jar, and you are ready to go.

Gifts from the Heart

If you are looking to make a philanthropic gift with enduring impact, consider Gifts from the Heart. You can create a Named Gift with a pledge of \$25,000 or more in your name or in the name of a loved one. Over a 5 year time frame you will have the opportunity to invite individuals to assist you with accomplishing this pledge by contributing to your Named Gift either as a one time gift or using an installment model.

Giving Tuesday

Giving Tuesday is a global day dedicated to giving back. It is a one-day fundraising drive that asks friends of The Family Resource Network to begin the holiday gift-giving season with a donation to support services to individuals with intellectual and developmental disabilities and their families in NJ.
