RESOURCES

The Family Resource Network offers online resources to bring you information and education- on your time, at your convenience.

SEIZURE TRAINING

Epilepsy Services of NJ (ESNJ) understands the importance of training school personnel about seizure first aid, and has been providing seizure recognition and first aid training to school-aged youth, school nurses, school personnel, and first responders for over 30 years.

CAREGIVING 101

November is National Family Caregivers Month. Many families and loved ones across the nation are held together by the support of their caregivers. Day in and day out, these dedicated individuals ensure the well-being of so many.

ADVOCACY

FRN engages in a variety of advocacy services to ensure that the rights and needs of disabled people and their family caregivers are prioritized in pending legislation. We consistently monitor legislation that impacts people with disabilities and encourage you to join our effort.
