

FRN Newsletter

RAISING AWARENESS IN FEBRUARY

All month long, we will collectively raise our voices to support these worthwhile causes.

- Black History Month
- Low Vision Awareness Month
- Public Health Month
- International Epilepsy Day 2/12
- Rare Disease Day 2/28

FIRST AID TRAINING UPDATE

112,907

This marks a significant achievement for our entire FRN network and the people we support. Since 2020, **Epilepsy Services of New Jersey** has successfully trained over 112,907 individuals in Seizure Recognition and First Aid!

LOOKING FOR AN INTERN?

Are you the owner of a retail store or restaurant and looking for help? Through FRN's Internship to Career program (I2C), we want to partner with local businesses and match them with an intern at no cost to your business!

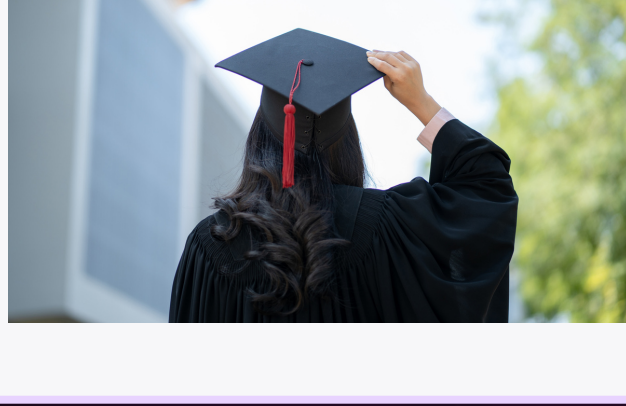

Our program provides paid internships for NJ youth ages 14-21 with disabilities. We're seeking employers who can offer a 150-hour virtual or in-person experience.

Supported Counties

HUNTERDON | MERCER | MIDDLESEX | SOMERSET | UNION
