Welcome to the Family

Partnering to Strengthen the Support Families Count On

Support can change the trajectory of a family's life. That simple truth is at the heart of Family Resource Network and the work we do with families across New Jersey. When you partner with us and with our affiliates [Autism Family Services of New Jersey](#), [Caregivers of New Jersey](#), and [Epilepsy Services of New Jersey](#), you help ensure that individuals living with disabilities, chronic health conditions, and other complex challenges, along with their families, have access to programs, guidance, and community connections when they need them most.

The people facing complex health and daily living challenges are our neighbors, our coworkers and, in some cases, our own families. Supporting them strengthens the communities we share.

Family Resource Network has been a trusted resource for more than five decades, offering services that empower over 30,000 individuals each year. Our work is grounded in a personalized, human-centric approach that reflects the highest standards of care and service. Across epilepsy, autism, intellectual and developmental disabilities, and chronic health conditions, we remain committed to helping families engage in life to the fullest.

This sponsorship book highlights many ways we can work together. From signature events like Autism Beach Bash, Paint the Pony Purple, Walk for the One, and the Golf Classic, to programmatic initiatives and community-focused gatherings, your partnership expands access to meaningful experiences and essential supports for families.

Your partnership strengthens the network of support that families count on and helps them connect with the resources and guidance they need at each step of their journey. Thank you for being part of the community that ensures no one has to navigate these challenges alone.
